REMARKS

The claims canceled without traverse were rejected by the Examiner. Claims 9-19 have been allowed, excepting an antecedent problem in claim 9 and a formatting error in that claim 12 did not begin on an independent line. Both problems are corrected herein. Applicant also thanks the Examiner for finding a humorous typo, as "yam" was used instead of "yaw" in a drawing. A corrected drawing sheet is included.

In view of the above, the application is now in condition for allowance.

Respectfully submitted,
